## TPL CORP PROFILE AND SERVICES

TPL Corp Ltd. is the investment holding company of the TPL Group with investments across the insurance, real estate, transport, security, technology, vehicle and container tracking, navigation and mapping solutions and financial sectors. Under the new structure, the business of TPL Corp Limited has been bifurcated and separated into tracking and digital mapping businesses. TPL has made the decision to restructure its business due to fast paced growth and increasing diversification of its business portfolio.

### PURPOSE

The purpose of this Request for Proposal (RFP) is to contract with a qualified firm which can provide, install, deploy and configure EMC Data Domain in accordance with the latest technology being used in the market.

### SCOPE

TPL intends to procure latest technology equipment for their infrastructure, which includes EMC Data Domain. All the necessary licenses, software and hardware must also be proposed with the Solution. No component whatsoever would be provided by TPL. Both hardware and licenses should be with single vendor with 3-year principal backed OEM support for software and 3 years for Hardware, along with local support.

### AWARD CRITERIA

Enter the criteria that will be used to determine the award.

Criteria #1 – 100% Compliant Technical Solution with lowest bid price.

Criteria #2 – Country-Wide Local Certified Team and OEM Support Available.
